DETAILED ACTION

Claim Rejections - 35 USC § 102

The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

Claims 16, 31 are rejected under 35 U.S.C. 102(b) as being anticipated by Van Dyk, Jr. (US 4,399,317).

Van Dyk, Jr. discloses an EMI gasket (24, 27) being positioned around a riser (25) in a space anterior to a surface (12)(Fig 2), squeezing the resilient gasket (Figs. 2a, 3a) to cause a portion of the gasket to come into contact with a surface (12), limiting protrusion of the gasket in a direction away from the surface by using the riser (Fig 3a).

Allowable Subject Matter

Claims 17, 18, 32, 33 objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

Claims 1-15, 20, 25, 26, 29, 30, 34-40 are allowed.

Response to Arguments

Applicant's arguments filed 09-16-05 have been fully considered but they are not persuasive.

Art Unit: 2831

Applicant argues (1) that Van Dyk, Jr. does not disclose positioning a resilient EMI gasket around a riser and limiting protrusion of the resilient EMI gasket in at least one direction away from the surface by using the riser.

With respect to (1), it has been addressed in previous paragraphs

Conclusion

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the mailing date of this final action.
